

# GLOBAL RISK & INVESTIGATION FIRMS MERGE TO CREATE POWERHOUSE

King-Reed and Canpro Global merge to create Canada's largest National Investigation and Risk Mitigation Firm

We are delighted to inform you that King-Reed & Associates LP and Canpro Global Services Inc. have amalgamated to create the largest full-service risk mitigation and investigation company in Canada.

The new organization, Canpro King-Reed LP, with combined annual revenues in excess of \$40 million becomes the dominant service provider in its field.

The combined investigation firm will provide uniform reporting and methodology and the ease of a single point of contact for national coverage. Clients will now have access to expanded technology, geographic coverage, resources and industry specialists across Canada and in some international locations.

Client services include Investigations, Security and Risk Consulting, Pre-employment Screening, Occupational Health & Safety, and Labour Risk Management.

Canpro King-Reed combined includes over 450 professionals in 23 locations across Canada and abroad. The merger is the result of a private equity investment in both firms by Granite Global Solutions.

If you have any questions or would like to talk to us about our expanded services, please contact either of us or your current key contacts. To view TV interview about the merger click [here](#).
