May 16, 2011

RE: King-Reed 50 Hour Ontario Private Investigator Training Course

As you may be aware, as of April 15, 2010, Ontario's Ministry of Community Safety and Correctional Services, Private Security and Investigative Services Branch, new basic Training and Testing Regulation took effect.

All new applicants must undergo a basic training program and pass a test of their knowledge before they can apply for a private investigator licence.

Existing licensees do not need to take the basic training course before attempting the ministry test. Beginning July 16, 2010, existing licensees are required to pass the ministry test before applying for their licence renewal.

King-Reed & Associates LP is pleased to be on the PSISB's Identified Training Entity list and is offering the mandatory 50 hour training course.

We will be hosting courses at regular intervals and can be scheduled for exclusive department training sessions upon request.

King-Reed Overview
